IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of Americ

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another
and to assume among the powers of the earth the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires
that they should declare the causes which impel them to the separation. ——— We hold these truths to be self-evident, that all men are created equal, that they are endowed by
their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving
their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute
new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence,
indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed
to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same
object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. —
Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King
of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted
to a candid world. ——— He has refused his Assent to Laws, the most wholesome and necessary for the public good. ——— He has forbidden his Governors to pass Laws of
immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. ——— He
has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and
formidable to tyrants only. ——— He has called together Legislative bodies at places unusual, uncomfortable, and distant from the depository of their Public Records, for the sole purpose of fatiguing
them into compliance with his measures. ——— He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. ——— He has
refused for a long time after such dissolutions to cause others to be elected; whereby the Legislative powers incapable of Annihilation have returned to the People at large for their exercise; the
State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within. ——— He has endeavored to prevent the Population of these States; for that purpose
obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands. ——— He has
obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers. ——— He has made Judges dependent on his Will alone, for the tenure of their offices, and
the amount and payment of their salaries. ——— He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our People, and eat out their substance. ——— He has
kept among us, in times of peace, Standing Armies without the Consent of our Legislatures. ——— He has affected to render the Military independent of, and superior to, the Civil power. ——— He
has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation: — For quartering large
bodies of armed troops among us: — For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: — For
cutting off our Trade with all parts of the world: — For imposing Taxes on us without our Consent: — For depriving us in many cases, of the benefits of Trial by Jury: — For transporting us
beyond Seas to be tried for pretended offences — For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging
its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies — For taking away our Charters, abolishing our most valuable
Laws, and altering fundamentally the Forms of our Governments: — For suspending our own Legislatures, and declaring themselves invested with Power to legislate for us in all cases whatsoever.
He has abdicated Government here, by declaring us out of his Protection and waging War against us. ——— He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed
the lives of our people. — He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty
& perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. ——— He has constrained our fellow Citizens taken Captive on the high Seas to bear
Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. ——— He has excited domestic insurrections amongst us, and has endeavoured
to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. In every stage of these Oppressions
We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince, whose character is thus marked by every act which may define a
Tyrant, is unfit to be the ruler of a free People. Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend
an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured
them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of
consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. ——— And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our lives, our fortunes and our sacred Honor.

Arsenic and Old Lace

Arsenic and Old Lace, under the direction of Miss Kathy Spacht was presented at the Croswell on Nov. 5 and 6. The story is centered around two charming old ladies who, from the kindness of their hearts, poison all the lonely and elderly gentlemen who come to their boarding home. When Mortimer, the ladies nephew, discovers one of the dead bodies in their windowseat the trouble begins. His girlfriend, Elaine, wonders what is going on while Mortimer tries to keep it a secret and figure out what to do. Meanwhile Jonathan, another nephew and his assistant, Dr. Einstein enter the scene with a dead gentleman of their own! Jonathan is an evil character who gets away with murder by continually having his face changed with the help of his assistant who is a plastic surgeon. When Mortimer discovers that Jonathan is using the house for a hideout, a terrible conflict arises between the two brothers and Mortimer is almost killed. However, since he is the hero, he finally manages to have Jonathan arrested. Trying to get even, Jonathan tells the police about the gentlemen the aunts have killed. When the ladies admit to it and add that they have thirteen graves in the cellar, the police think that they are crazy and have them admitted to Happydale Sanitarium along with their third nephew Teddy, who believes he is Teddy Roosevelt and who they would otherwise have been separated from. The three go happily to the sanitarium, leaving the aunts "chairty" forever undiscovered. Mortimer survives the absurd experience, marries Elaine, who never knew what happened and, of course, lives happily ever after.

Band Variety Show

The Band Variety Show this year was a success, under the direction of Julie Clemes and Diane Carey. Mark Dunny and Mark Case also did a fine job of narrating. They kept the audience rolling in the isles. Other interesting displays of talent were a guitar act by Skinner & Skinner & Roig. Sarah Jenkins did a modern jazz dance called Leo. The duet of Osborn on the guitar and Seiple singing was another highlight of the evening. The stage band, directed by Mr. Barber did an excellent job. The majorettes performed under a strobe light which was rather unusual. Taylor, Boley, and DeLosSantos did a fantastic job on the guitars, when they sang Seagull by Bad Company. Tom Mitchell did a solo of "Tea for Two" on the marimba. Next was Schultz, Fetzer, Boldt, Wagner, Skufis, Schonover and Eberline as the J. Geils band. They really did a super job and brought the house down. A reading by Pam Rossi on marriage was another action in our show. The Daffy Half Dozen was next doing a dance to the Shirley Temple song Codfish Ball. Following this was Pichler and Collins singing and playing guitars. Next in the line of entertainment was Gillen and Barnes doing a tap dance. Happy Man was sung by the group of Miceli, Gale, Seiple and Osborn. And to end the evening on a high note was the one and only Maple Marching Band. As you can see AHS, truly has a Revolution of Talent.

Mark Dunny and Mark Case are M.C.'s for this years show.

Jan.-Feb. Months to Remember

With half the school year over, Adrian High School still had many activities to offer. During these cold winter months students were involved in Winter Carnival activities. The carnival was held the week of January 12-17 and the theme was Walt Disney. Various clubs and organizations contributed to the carnival by having food and game booths to help raise money for their clubs. A winter Carnival dance was held and the bands were Sly Dog and Hot Lucy.

Also in January was a clown seminar offered several hours during a day where many students picked up tips on the art of clowning. On January 28th a Senior assembly took place 1st hour in the gym where Seniors placed orders for announcements. Moving along to finish off the month of January we find a Jazz Band seminar on Jan. 30th, fifth hour. Also on Jan. 30th from 9:45-12:00 the Sickle Staff sponsered a dance, the band was White Wolf.

In February there was a motorcycle safety program. Also Valentines Day filled the atmosphere and many sweethearts received vale-grams throughout the day.

THIS PAGE, TOP: Steve Porter just can't figure out how Tim Allshouse and Dan Heikkinen move so fast! BOTTOM: Tom Melnik floats smoothly over his hurdle, unlike the Lakeview runner who looks a bit worried.

The Adrian Maples finished their 1st. season under Coach Mosier with a 3 win 3 loss conference record and 3 and 6 overall record. The Maples were beaten on the track only 3 times, but often came up short in the field events, which were manned by mostly underclassmen.

Outstanding performances during the season were turned in by Tri-captain Jeff Spain in the 440, and conference 880 champion Tim Allshouse. The track team finished 4th. in the league meet, just 4 pts. out of third.

The Maples were a young inexperienced team with the top scorers being sophomores Tom Melnik and Willie Taylor. Other outstanding trackmen during the year were Steve Porter, Chuck Durst, and Mark Case in the shot put, Dan Heikkinen and Jerry Smith in the mile, Cliff Pounders and John Hill in the two mile, Tom Wolf and Tom Rink in the 880, Steve Jones, sprints, Scott Bailey, polevault and Sid Campos in the 440.

The outlook for the 1976 season is a bright one for the Maplemen. We lost only 3 seniors from a year ago and our freshmen and sophomores were simply great last year. Coming up to the varsity this year will be Jim Waters, outstanding sprinter and low hurdler, Marlo Alvarado, a 100 yard dash man, Mark McNitt, maybe the best 440 man in Adrian High, and a group of distance men that were the best in the conference as freshmen.

Just what are Adrian's chances of a league title? Mr. Mosier says "I think we can be in the top 3 teams, depending on how much improvement our young runners give us." I know we have the best distance men and best hurdler in the conference, but with McNitt as a sprinter we may surprize a few people. If we can stay away from any injury we will be a strong team displaying the Blue and White in champion style.

BASEBALL 1975

Jeff is anxious to catch the ball.

The Adrian Maple Baseball Team of 1975, coached by Doug Nelson, had a season of ups and downs. Adrian started off the season with a thrilling 2-1 victory over Tecumseh, but from that point they stumbled to a final 8 win 17 loss record.

The highlight of the season, however, was in the State Tournaments when the Maples won the District IV championship. On the way to the crown, Adrian defeated a Strong Wayne team 7-6, Ypsilanti 5-2, and in the District finals they outscored Bedford 8-5. The season ended in the Regional Semi-finals as they lost to the eventual State Champion in Class A, Plymouth Salem, by the score of 6-1.

Leading hitters were: Dick Clay at .352, Jeff Neuhouser at .340, and Pete Mitchell at .321. John Selders and Mike Burke were the leading pitchers.

Led by the consistent play of Senior Capt. Octavio Coba, the Maples Tennis team finished with a 7-9 season record. Senior Rich Hoffer in No. 3 singles and Senior "Tantum" or Jim Dailey and Dave Husband in No. 2 doubles, played well throughout the season. In the Season Finale, the Boys team continued their dominance over the Maple Girls team with a hard fought 7-0 victory.

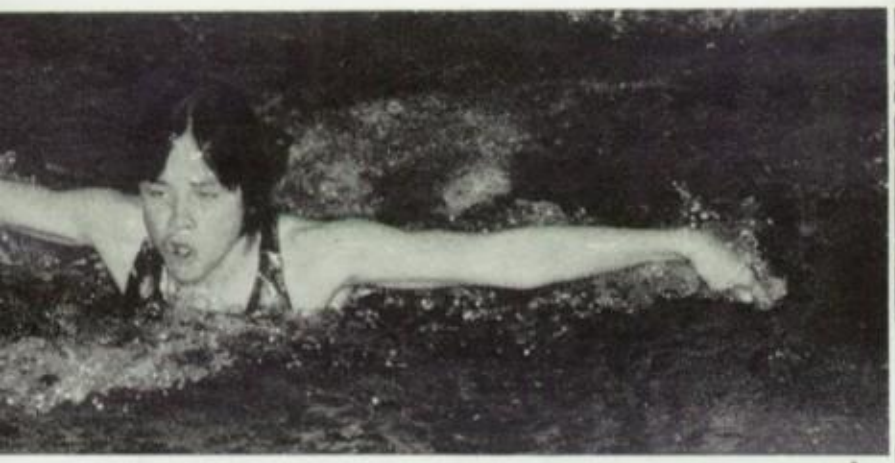
1975 Girls Swim Team Shows Great Improvement



The 1975 Girls Varsity Swim Team, blessed with fourteen returning swimmers and a variety of newcomers, improved to a four win; seven loss season. Coached by Jean Davis and led by co-captains Sarah Jenkins and Sandy Boley, the girls proceeded to break all of last years records, and improved greatly on individual times.

With conditioning starting early in August, the girls spent many long hours practicing together and definitely had the "team" feeling. New suits also sparked enthusiasm.

Debbie Entinger and Jane Stevens were awarded most valuable and most improved swimmers. Sandy Boley and Diane Entinger were co-receivers of the coaches award, which was given for earning the most points for the team. Also deserving recognition are the senior swimmers who really held the team together and kept spirits up when the waves were high. Next year they will be missed, but with most of the team returning an even better season is expected.

Harriers Hurry to S.C.C. Finish

The 1975 Adrian Cross Country Team was a much improved squad. The Harriers went from second to last place in the South Central Conference in 1974 to Co-Champions this year. The duel meet record of 10 wins and 1 loss is the best since 1969. This years squad also captured the Regional Title and finished 13th in the State meet.

The leading runner for Adrian was Senior and Co-Captain Dan Heikkinen, who won the South Central Conference meet. Other Seniors to make up the Varsity squad are Co-Captain Chuck Gafner, third man Jerry Smith, and first year runner John Hill. The heart of the squad consisted of Juniors, Cliff Pounders, Tim Wolf and Tom Michaud, with Freshman Doug Heikkinen rounding off the top seven.

Help was also given to the Varsity squad by some outstanding Sophomores, who helped lead the J.V. team to an identical 10 to 1 season. With hard work and many miles this summer, the Harriers should continue their winning ways next year.

Steve Brown led the linksmen and will be the only starter lost by graduation. All other players will be back with plenty of experience. Coach Degner is confident that the linksmen will be rewarded with many victories in [illegible] years.

The Maples Girls Basketball team promised to display some fine talent this season as they worked their way to the first South Central Conference basketball title. The Maples, coached by Adrian college graduate, Lu Ann Smoker, are led by Senior captain Irene Duvo who displays good defense and fine leadership.

Senior Peg Sylvester, a good outside shooter, is the other starting forward. A consistently good shooter, Cathy Pahl, is the third Senior on the team. Juniors Becky Burtless and Charlotte Gagnon round off the starting five. Burtless, Adrian's tall lanky player, is always a potential offensive and defensive threat. Gagnon making up in speed for what she lacks in height, is the Maple's offensive leader. Hustle is Gagnon's trademark.

The Maple Tankers began their season with six seniors and a fine crop of juniors to build this years team around.

The key to the season will be individual versatility, meaning each member will have to be able to swim in any event necessary.

Another factor is that Adrian is part of the new South Central Conference. This means that in addition to swimming against Ann Arbor Huron, the Maples also have to contend with Ann Arbor Pioneer. Both of these schools have been powerhouses in recent years. However, Coach Michaud feels the rearrangement of the South Central Conference will be beneficial to the tankers.

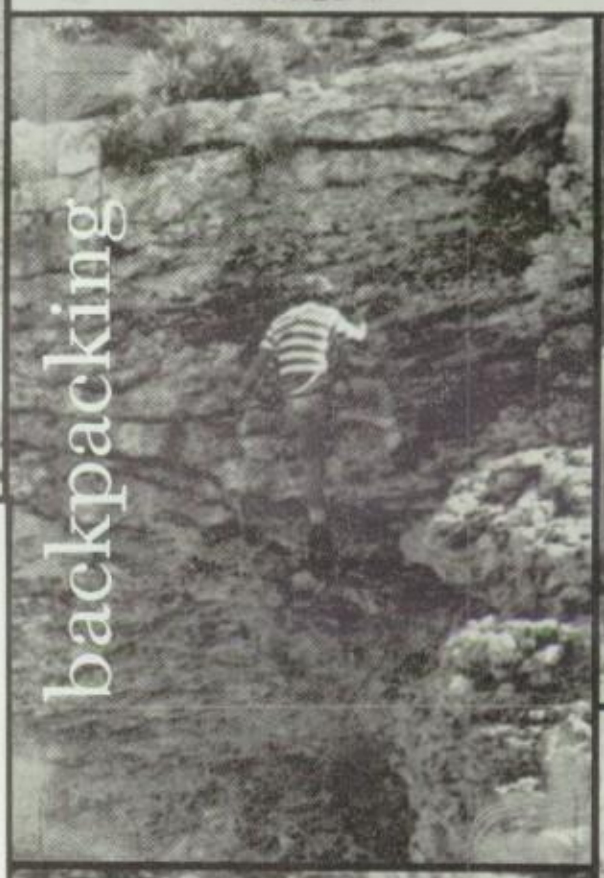
Organizations



The Backpacking Club, started last school year, and is advised by Mr. Cebulski. At each meeting, Mr. Cebulski talks about backpacking equipment, techniques and some of his own personal experiences. He gives good advice to both beginning and advanced hikers.

The club has gone on two trips, both to Bruce Trail in Tobomory, Ontario, on the Georgian Bay. The first trip was in the Spring of 1975. Julie Clemes, Chad and Clay Creps, Tracy Ochs, Kerry Moore, Doug Nelle, and Mr. C. All had a lot of fun in the snow and cold weather. In the fall, Steve Mills, Tracy Ochs, Kerry Moore, Julie Clemes and Mr. C. returned to the same trail. The club is thinking of taking a trip down south to the Smokie Mts. this year as their big excursion.

The first day of skiing was at Boyne Hillands, where they were joined by 4,970 other ski loving people. Sunday they skied at Thunder Mountain. The trip turned out extremely well and everyone ended up home in one piece.

NOR SOCIETY

Chapter

Advisor Mrs. Stafford and Pam Bussing listen to opinions of Adrian's Senior citizens.

The purpose of the National Honor Society is fourfold:

* to create an enthusiasm for scholarship
* to stimulate a desire to render service
* to promote leadership
* to develop character

— Members are elected to National Honor Society by members of the school's faculty and the principal criteria for membership is based on scholarship, service, leadership and character. The candidates must have a 'B' or better scholastic average.

— A large percentage of chapters are actively involved in service-related projects within the school or community. AHS is proud to be one of these chapters. Through the 1975-76 year we have accomplished the following:

— Volunteer leaf-raking for the elderly of Adrian.

— Developed a Christmas package (food, clothing, toys) worth over $100 which was obtained by all AHS students donations for an underprivileged family.

— Christmas caroling at a private nursing home.

— College Corner in library.

— Career Day — an aid for vocation

— The Youth Conferences on Older Americans (seminar with elderly discussing controversial and pertinent issues of the times).

Dawn Wakefield and Nancy Gross take a break!

Majorettes Give It A Twirl

The majorettes started out this season with summer camp. They attended National Majorette Camp in Springfield, Ohio. Twirlers Sharon Oprsal, Roberta Carey, Julie Hoenig, Betty Behrendt, Twila Nye, and Susan DuShane, showed the old AHS spirit and came home with a first place trophy. They also took Best Novelty Routine and Outstanding Corp Award. The girls were also awarded three blue and one red ribbon.

Marching in parades is something else majorettes like to do. This year they participated in five different parades. The Adrian Sesquicentennial parade, the Fourth of July parade, the Fair parade, the Homecoming parade, and the Memorial Day parade.

During football season the girls have a busy schedule. At each home game the majorettes entertain half-time crowds with their various routines. In addition to twirling, they do Pom-Pom, dance, and glove routines. On special occasions they use flag and fire batons. Since the majorettes twirl at the Victory Breakfast, the pep assembly, and at the football game, Homecoming is an extra eventful week for our majorettes.

Bicentennial Year Adds Extra Excitement to Washington Trip

The annual March migration to our nation's capitol was again carried out by the American Studies Club. Tour buses filled with ninety excited Juniors left our parking lot on March 23. These students worked at dances, plane washes and sold suckers to raise money for this long awaited trip. Four days is hardly enough time to see all the historic sights in the Washington area, but somehow they seem to see them all, including a play at the historic Ford theater.

Washington is not the only place they go. The Hillberry Theater on Wayne State campus produces many plays each year. This year "Of Mice and Men" and "Death of a Salesman" each had bus loads of AHS students in the audience. A brief question and answer period followed each performance and gave the group a chance to meet the actors.

All members of American Studies Club are students in American Studies classes. These classes, a two hour time block, are a combination of American Literature and American History. Each student is required to do a project by the end of first semester. A Thanksgiving Feast and an Old-Fashioned Christmas were two group projects. A collage showing all periods of history and literature replaces the final exam.

Advised by Mrs. Stafford, the officers are: Pres., Scott Baily; V-Pres., Joe Wagley; Secretary, Tina Rossi; and Treasurer, Chad Creps.

A stairway of Life
A never ending staircase
going up
or down
winding
jagged, turning
Many with guide rails
so you won't
fall off
Stairs and life
will creak
crack
warp

Pam Rossi

time has passed
gone gone forever
yesterday
a golden leaf
brushed against my leg
winked at me
and scampered
down the road
glancing over his shoulder
to see if i was watching
i wonder
if i made an impression
on his journey
changed his views or opinions
in any way
time scurries by
much the same way
glancing over its shoulder
occasionally running into a wall
slightly dazed
then runs on
i wonder if all the people
who have touched my life
ever think of me

Alone

The brave fire sputtered gallantly,
the small flames desperately licked the damp wood.
A young man coaxed the stubborn little companion
till it was a small inferno.
His fine features reflected orange,
his frosty breath surrounded him in a halo.
He started at the sudden lonely howl
of a wolf in the distant forest.
Suddenly it was black.
His neglected little fire gave up
and once more the young man was alone.

Selfishness
the two of us alone
I want no one to share this time,
No one to take you away from me.
We have little time together
and I want it to be ours.
Stay, don't go or our moments
together and alone will be just memories
Memories of the cold air.
and of holding you close to keep warm
These are our moments
Short, yet I will not forget them
For in this short span of time
you are mine, as I am yours
and I refuse to let anyone,
anything, impose on our time
This is selfishness, you are mine.

Portrait of a Lady

Blond hair? Black roots showing —
chewing gum and gossip flowing.
Shortshort skirt and high heels rapping,
Swaying hips and red nails tapping.
Breathless voice and strident giggle;
Painted face, seductive wiggle.
Pouting mouth and low cut sweater —
She likes men with money better.
No beauty, wisdom, virtue, love.
in heart below or head above.

Cathy Marchand

Night and Dream

Outside my window the moon shines
a mellow light over the peaceful night.
Soft features of your face
are silouetted against the clouds.

No longer is the night peaceful but
filled with your laughter
and your cries.
The moon is your smile bright and shiny.

The dawn is awakening demanding.
I must forget my dream —
One last look I see soft features
of your face sillouetted against the clouds.

Meg McAuliffe

The Can

A river rapidly rushes over rocks and stones
Willows swing and sway in the wind
Furry friends frolic through the ferns
A mountain reigns the picture
A deer pauses
a can swims near.

Sandy Boley

Drop

Beady and Bright
the accumulation began
gradually
but expertly the weight its dominance
bulbous and smooth, distortions appeared
Gone
No, new life
the journeys not over
no noise, just silence, vibrations produced
a surface
grooved and slick
brief exposure, gathered its speed
accumulation once more began, less mass
Gone
sky to depths
life, knowledge, death

Dan Heikkinen

today

as i sat watching you
profiled against
a backdrop of gloomy rain
and the girl on my left
sat drawing hearts and arrows
and True Love Always
i noticed you looked
so far away
from me
and unreachable
i wanted so much
to touch you
but i felt you were
too fragile
you would crumble
and fly beyond hope
if you had just once
lifted your heavy dark lashes
and smiled
the rain would have disappeared
and you would be nearer to me
than ever before

The year is completed and many of us shall venture forth into the world to use the knowledge given to us by our educators. Through our experiences we have grown to value friendships and will continue to expand and grow through others in the future.
